§ 4. Organization of competitive selection

1. Enrollment of foreign applicants to obtain higher education is carried out on the basis of entrance examination as well as on the basis of academic rights for continuing education that is proved by a document on the level of education in the country of origin which gives the right to continue education at the appropriate level of higher education in accordance with the legislation of the country issuing the document about the acquired level of education.

2. A schedule of the entrance examinations is drawn up and approved by the chairman of the Admission Committee (the rector). The Selection Committee of Preparatory Department publishes the schedule on the Website of the Preparatory Department and alongside with its Facebook and / or informs the applicant about entrance examinations.

Conducting of the entrance examinations for Bachelor degree (Master of Medicine)

1. Competitive selection for obtaining a Bachelor degree (Master of Medicine) consists of two stages:

1) introductory language test (Ukrainian, Russian, or English) depends on further language of training;

2) entrance examination in professional discipline.

In case the applicants were the former students of the Preparatory Department, who successfully have passed the final exam and got a certificate, and are now entering an educational program (specialty), the language of which coincides with the language of training, they may be free from the introductory language test and be provided with a certificate by the decision of the Selection Committee.

2. To conduct a test in Ukrainian, Russian or English language a subject examination commission, which is approved by the order of the rector of the University, is created.

Entrance test programs on Ukrainian, Russian and English languages, as well as criteria for assessing knowledge are approved by the Head of the Admission Committee (represented by the rector) of the University not later than 4 months before the beginning of entrance examinations, and are uploaded on the site of the Preparatory Department (pd.univ.kiev.ua) and the Admission Committee (vstup.univ.kiev.ua).

3. An applicant may pass entrance examinations in professional discipline only after he has successfully passed the introductory language test.

To conduct entrance examinations in professional subjects a special commission, approved by the order of the rector of the University is appointed.

The programs of entrance examinations in professional discipline are established by the Scientists councils of corresponding departments/institutes and are approved by the head of the Admission Committee (represented by the rector) of the University not later than 4 months before the entrance tests are published on the Preparatory department web page (pd.univ.kiev.ua) and the Admission Committee (vstup.univ.kiev.ua).

Conducting the entrance examinations for Master's degree

1. Competitive selection for obtaining a Master's degree is carried out based on the results of entrance examinations in:

1) a foreign language (Ukrainian, Russian, or English);

2) specialty (professional subject).

2. A special attestation commission, approved by the order of the rector of the University, conducts an introductory language test.

Entrance test programs and evaluation criteria in the Ukrainian, Russian and English language exams are established by the Academic Councils of Institute of Philology and the Institute of International Relations, and are approved by the Head of the Admission Committee (rector) of the University not later than 4 months before conduction of introductory tests, and are published on the site of Preparatory Department (pd.univ.kiev.ua) and Admission Committee (vstup.univ.kiev.ua). The language of the introductory test program corresponds to the language of announced educational program (specialty).

3. The specialty test is conducted by a special commission, approved by the order of the

rector of the University.

The programs of the specialty tests are considered by the Academic Councils of the Faculties/Institutes and are approved by the Head of the Admission Committee (rector) of the University no later than 4 months before conducting the entrance tests, and are published on the site of the Preparatory Department (pd.univ.kiev.ua) and the Admission Committee (vstup.univ.kiev.ua). - translation into Ukrainian of a passport (or an ID document) with personal data certified by a public notary in Ukraine;
- A valid health insurance certificate.

The order of registration, issue, exchange, cancellation, transfer, withdrawal, return to the state, invalidation and destruction of the temporary residence permit is approved by the Cabinet of Ministers of Ukraine dated 25.04.2018, № 322.

Foreigners who have arrived in Ukraine for the purpose of study and received Posvidka are considered to be legally residing in Ukraine for the period of study. Posvidka is issued to foreigners and stateless persons who have reached the age of 16 years.

Posvidka is made in the form of a card containing a contactless electronic data storage device.

Posvidka is a document certifying the identity of a foreigner or a stateless person and confirms the legal grounds for temporary residence in Ukraine. Posvidka is issued for the period of study, which is determined by the order of the University according to established periods of study for foreign students.

Documents for registration of Posvidka (including reissuance of the lost or stolen one)

or its exchange shall be submitted personally by a foreigner or a stateless person to a state-owned enterprise belonging to the management of the SMS (State Migration Service) or a regional office of the SMS at the place of registration.

Documents for the issuance of Posvidka are submitted not later than 15 working days before the expiry of the established term of stay in Ukraine.

In case of occurrence of circumstances (events) after which Posvidka is the subject to exchange (except for the expiration of its validity), documents for its exchange shall be submitted within one month from the date of occurrence of such circumstances (events).

In case of expiration of the validity of Posvidka documents for its exchange may be submitted not later than 15 working days before the date of expiration of its validity. In such a case when Posvidka which needs to be exchanged is returned to the person and is turned in at the time of receipt of new Posvidka.

After obtaining Posvidka, the foreigner is obliged to submit it to the organization affairs department of the Preparatory Department (Vasylkivska St. 36, room 98) for registration of the place of residence in Ukraine within three working days.
